At UC Santa Barbara, philanthropic support is central to maintaining the quality of teaching, research, and public service for which this university is known. These transformative gifts serve to honor outstanding scholars as well as attract rising stars in their respective fields; indeed, our faculty help to inspire, shape, and define excellence in teaching and research.

An endowed chair is marked by the establishment of an endowed fund, whereby the earnings from the fund serve to maximize a faculty member's potential. The State budget supports the faculty member’s salary while the endowment payouts provide enrichments for the faculty member – enrichments such as research and conference funding, travel, and innovative instructional materials. These important enhancements serve to recruit and retain some of the most prominent scholars from around the world.
